Graduating Student Celebrations are distinct from the college's Commencement Ceremony, where your degrees are conferred. This event is brought to you by Student Equity Center, the Division of Equity, Pathways, & Inclusion, and Pride Center. This celebration is open to all 2025 SMC graduating, transfer, and certificate completing students. Although the event celebrates LGBTQIA2S+, participation is not limited by area of study, ethnic background, national origin, sex or gender identity. SMC aims to create an inclusive space that celebrates our intersectional identities while cultivating a sense of unity.
